Buildings and works

A permit is required to:

- Demolish or remove a building or place within Tanjil Bren listed in the table at Clause 43.01
- Alter externally any building or place within Tanjil Bren listed in the table at Clause 43.01 by structural work, painting, rendering, sandblasting, or in any other way.
- Extend or make additions to an existing building.
- Construct or carry out works including municipal works.
- Remove or destroy vegetation.
- Construct or display a sign.

This does not apply to repairs and maintenance to buildings and places that do not change the external appearance.

Plans for approval

For any new development proposed, a plan, drawn to scale, showing the overall development of the site must be prepared to the satisfaction of the responsible authority. The plans must indicate:

- The location of buildings and works.
- The method of effluent disposal.
- Any alterations to the natural topography of the land.
- The provision and location of power supply;
- The method and extent of fire protection.
- Any proposed landscaping.
- Other details, as required by the responsible authority.
- All buildings and works must be in accordance with the plan.

Guidelines for permit

Before deciding on an application, the responsible authority must consider:

- The purpose of the zone.
 - The importance, character, and appearance of the building or place to be demolished.
 - Whether the location, bulk and appearance of the proposed building/s or works will adversely affect the character of the area.
 - Whether the subdivision will result in development in keeping with the character and appearance of the area.
-

BAW BAW PLANNING SCHEME

- The view of any organisation having an interest in the building or place.
 - Whether the proposed development is consistent with the Tanjil Bren Planning Guidelines 1993, as amended from time to time.
 - The adequacy of services proposed.
 - The orderly and proper planning of the area.
-
