ECHUCA & DISTRICT LIVESTOCK EXCHANGE, MUNICIPAL POUND AND WASTE TRANSFER STATION**1.0**04/04/2014
C86**Statement of environmental significance**

The Echuca & District Livestock Exchange; Municipal Pound and Waste Transfer Station have the potential to create significant noise and odour emissions. Locating sensitive land uses in the vicinity of the facilities can result in land use conflicts. Buffer areas have been established to separate sensitive uses from these facilities and protect quality of life and the environment from the off-site effects generated by these operations. These buffer areas and distances require review over time to ensure their scope is sufficient.

It is important that land within this buffer not be developed for any purpose that may compromise the continued operation or expansion of the facilities.
