#### **Decision guidelines**

Before deciding on an application the responsible authority must consider:

- the likely impact on visual character.
- whether the proposal is consistent with maintenance and restoration of the historic and botanic significance of the gardens.
- the intended Von Muller Master Plan for the garden or other management guidelines adopted by the responsible authority for the Botanic Gardens.
- Any applicable heritage study or historical research for the site

Comments on any application to develop land may be sought from the Department of Sustainability and Environment.
