**Use of land**

**Amenity of the neighbourhood**

A use must not detrimentally affect the amenity of the neighbourhood, including through the:

- Transport of materials, goods or commodities to or from the land.
- Appearance of any building, works or materials.
- Emission of noise, artificial light, vibration, smell, fumes, smoke, vapour, steam, soot, ash, dust, waste water, waste products, grit or oil.

Noise emission levels must not exceed the following levels:

- Public address systems 55db(A) LEQ.
- Music or concerts 65db(A) LEQ measured outside any residential property.

### **Application requirements**

An application to use land must be accompanied by the following information:

- The purpose of the use and the types of activities that will be carried out.
- The likely effects, if any, on adjoining land, including noise levels, traffic, the hours of delivery and dispatch of goods and materials, hours of operation and light spill.
- If an industry or warehouse:
  - The type and quantity of goods to be stored, processed or produced.
  - The likely effects on adjoining land, including air-borne emissions and emissions to land and water.

### **Decision guidelines**

Before deciding on an application to use land, the responsible authority must consider, as appropriate:

- The effect of traffic to be generated on roads.
- The provision of car parking.
- The amenity of the adjoining area.
- The frequency of any proposed event.
- The impact of hours of operation on any proposed use on neighbouring areas, particularly with respect to night time use.
