#### **Requirements for development plan**

The development plan must:-

- Describe the relationship of uses proposed on the land to the existing and proposed uses on adjoining land and proposed buffer areas separating land uses and public land.
- Provide appropriate arrangements for the provision and funding of necessary physical and community infrastructure.
- Provide suitable linkages between the site and road, public, bicycle and pedestrian transport facilities.
- Provide a soil and water report with all applications to demonstrate the capacity of infrastructure to service the development, treat and retard stormwater and reduce any soil and water impacts downstream of the development.
