**Woodend Township Residential Precinct**

To facilitate a diverse range of housing comprising of one and two storey detached dwellings.

To encourage tree-lined streets with informal edges.

To encourage landscaped front and rear gardens with mature vegetation, including canopy trees.

To support low front fences that allow views of front gardens.

**Woodend Garden Setting Precinct**

To encourage landscaped front and rear gardens with mature vegetation, including canopy trees.

To retain a consistent pattern of detached dwellings with low pitched roofs and maintain the area's single storey scale, and allow vegetation to dominate.

To support absent or low front fences that allow front gardens to merge into the nature strip.

**Part of Woodend Bush Living Precinct (Goldies Lane)**

To encourage dwellings that integrate with the topography and informal bush setting of the area.

To maintain semi-rural streetscapes with rural style fencing and informal road treatments.

To maintain the semi-rural interface between the large bush lots located south of the township boundary and the more densely developed residential parts of Woodend.

To conserve vegetation as the dominant characteristic with the retention of large canopy trees.
