C126**SCHEDULE 2 TO THE COMPREHENSIVE DEVELOPMENT ZONE**Shown on the planning scheme map as **CDZ2****CARLTON BREWERY**

Carlton Brewery Comprehensive Development Plan October 2007

**Land**

Carlton Brewery, bounded by Victoria Street, Swanston Street, Queensberry Street and Bouverie Street, Carlton.

**Purpose**

To use and develop Carlton Brewery generally in accordance with the Carlton Brewery Comprehensive Development Plan October 2007 (the CDP) and the Carlton Brewery Masterplan October 2007 (the masterplan) prepared by Grocon Pty Ltd and NHArchitecture Pty Ltd.

To implement the vision for Carlton Brewery to create a mixed use, high density precinct comprising a range of uses including commercial, entertainment, residential and educational uses at a scale and intensity commensurate with the site's strategic location on the edge of the CBD and within the South Carlton educational precinct. The redevelopment will support a vibrant and safe public realm that is inviting to pedestrians, with a high level of cross-site permeability.

To provide for RMIT's presence and an education centre to complement RMIT's city campus on Swanston Street;

To retain and re-use the buildings and structures of heritage significance;

To reinforce Swanston Street as the civic and ceremonial spine of the City;

To reinforce the Shrine of Remembrance axis with an appropriate termination within the site;

To achieve excellence in architecture, urban design and landscape architecture and deliver exemplary design for all buildings;

To implement ESD measures in building design;

To encourage development that meets the design objectives and outcomes specific to the project and included in the CDP and the masterplan.

An application to construct a building or to construct or carry out works should include the following information, as appropriate:

### Plans

- Site context and existing conditions plan including levels, existing heritage and other buildings, pedestrian and other areas used by the public and an evaluation of opportunities and constraints;
- Design rationale report and plan explaining how the development responds to the building envelope plan, building envelope elevations, design objectives and outcomes in the CDP and the masterplan;
- Demolition plan;
- Detailed land use plan;
- Layout plans for the basement(s), ground floor and other floors within the development, roof plan, elevations and sections. All plans must be to scale and with dimensions;
- Vehicle access and the location and layout of all car parking areas;
- Location and layout of loading and unloading areas / facilities;
- Location and layout of rubbish storage and waste recycling;
- Location of all external plant, building services and equipment, including lift over runs;
- Stages, if any, of development;
- Location of areas available for public use and the intended use;
- Shadow plans for 22 September on the hour between 11am and 2pm;
- Landscape concept plan;
- Verandah awning, sunblind or canopy of a building.
- Shopfront and signage strategy for the site.

### Open space plan

The open space plan must:

- Include a management plan for the permanent maintenance of all open space areas available to the public.
- Show areas of open space that will be available to the public (public areas) and non-public areas.
- Show by plans and elevations open space that will be part of a building.
- Specify the uses to which public areas may be put.
- Lighting plan.
- Include a landscape concept plan for all public areas.

- Any temporary structures.

### **Development schedule**

- A development schedule showing uses, floor area (net floor area) by use, car parking spaces and bicycle facilities; number of levels and building height using the AHD.

### **Other information**

- Initial wind assessment;
- Proposed external materials, finishes and colours;
- Report addressing pedestrian connections and access arrangements for people with mobility impairment;
- ESD report;
- A traffic management and car parking assessment report.
- Perspective views;

### **Heritage**

In addition to any other requirements specified in this schedule, the plans must be generally consistent with any relevant permit(s) or other approval issued under the Heritage Act 1995.

## **4.3 Exemption from notice and review**

20/03/2008
