

21.02 KEY ISSUES IN THE CITY

24/07/2014
C157

Based on a consideration of the City in 2014, the key issues affecting the City that will require the formulation of land use objectives and strategies are:

- Residential Land Use
- A Sustainable Environment
- Recreation and Open Space Networks
- Urban Development - Staging and Patterns
- Employment
- Retailing
- Transport and Movement
- Rural Land Use
- Areas of Historical, Environmental and Cultural Significance and Sensitivity

A vision for the City is provided at Clause 21.03-1.

Objectives and Strategies for each of these issues are provided at Clauses 21.03-2 and 21.04.

Local Policies for each of these key issues are provided at Clause 22.
