SCHEDULE 4 TO CLAUSE 42.03 SIGNIFICANT LANDSCAPE OVERLAY

Shown on the planning scheme map as **SLO4**.

GOVERNMENT QUARRY, THE DENE

1.0 Statement of nature and key elements of landscape

02/11/2017
C113

Government Quarry, also known as the Wandong or Mathieson's Quarry, is a former quarry site, situated on the north side of the The Dene at Wandong. The significant elements of the site are the exposed quarry face and the open cut area at the front indicating the extent of the quarrying operations, and any related archaeological deposits.

2.0 Landscape character objective to be achieved

02/11/2017
C113

- To protect the visual, aesthetic and historical values of the of the exposed quarry face and open cut area.
- To recognise and protect the heritage and archaeological values of the site.
- To ensure development does not compromise the historical, archaeological and aesthetic significance of the site.

3.0 Permit requirement

02/11/2017
C113

Refer to clause 42.03-2.

4.0 Decision guidelines

02/11/2017
C113

Before deciding on an application the responsible authority must consider:

- The impact of the proposal on the environment, visual and aesthetic qualities of the former quarry site.
- The impact of the proposal on the historic, archaeological and aesthetic significance of the former quarry site as described within the *Wandong & Heathcote Junction Heritage Gap Study 2016*.
