### Use of land

#### Application requirements

An application to use land must be accompanied by the following information, as appropriate:

- The purpose of the use and the types of activities which will be carried out.
- The likely effects, if any, on adjoining land, including noise levels, traffic and hours of operation.

An application to use land for Warehouse must be accompanied by the following information, as appropriate:

- The type and quantity of goods to be stored.

#### Decision guidelines

Before deciding on an application to use land for Group Accommodation or Residential Hotel, the responsible authority must consider, as appropriate:

- The *Warrnambool Regional Airport Economic Feasibility Study*.
- The *Warrnambool Regional Airport Development Plan*.

**Buildings and works**

**Permit requirements**

A permit is not required to construct a building or to construct or carry out works for Airport, Heliport and Car park in conjunction with Airport or Heliport and Emergency services facility.

**Decision guidelines**

Before deciding on an application to construct a building or construct or carry out works, the responsible authority must consider, as appropriate:

- The *Warrnambool Regional Airport Economic Feasibility Study*.
- The *Warrnambool Regional Airport Development Plan*.
- Whether the land is or is likely to be affected by any approved or draft Australian Noise Exposure Forecast approved by Air Services Australia.
- Whether the land is affected by an approved Obstacle Limitation Surface Plan.
