15.02-1 Energy and resource efficiency

20/09/2010
VC71

Objective

To encourage land use and development that is consistent with the efficient use of energy and the minimisation of greenhouse gas emissions.

Strategies

Ensure that buildings and subdivision design improves efficiency in energy use.

Promote consolidation of urban development and integration of land use and transport.

Improve efficiency in energy use through greater use of renewable energy.

Support low energy forms of transport such as walking and cycling.
