

OPERATION OF THE LOCAL PLANNING POLICIES

Local Planning Policies are tools used to implement the objectives and strategies of the Municipal Strategic Statement.

A Local Planning Policy is a policy statement of intent or expectation. It states what the responsible authority will do in specified circumstances or the responsible authority's expectation of what should happen. A Local Planning Policy gives the responsible authority an opportunity to state its view of a planning issue and its intentions for an area. A Local Planning Policy provides guidance to decision making on a day to day basis. It can help the community to understand how the responsible authority will consider a proposal. The consistent application of policy over time should achieve a desired outcome.

When preparing amendments to this planning scheme and before making decisions about permit applications, planning and responsible authorities must take any relevant Local Planning Policy into account.
