

33.02 INDUSTRIAL 2 ZONE

16/01/2018
VC142

Shown on the planning scheme map as **IN2Z**.

Purpose

To implement the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.

To provide for manufacturing industry, the storage and distribution of goods and associated facilities in a manner which does not affect the safety and amenity of local communities.

To promote manufacturing industries and storage facilities that require a substantial threshold distance within the core of the zone.

To keep the core of the zone free of uses which are suitable for location elsewhere so as to be available for manufacturing industries and storage facilities that require a substantial threshold distance as the need for these arises.

Use of land

Application requirements

An application to use land for an industry or warehouse must be accompanied by the following information, as appropriate:

- The suitability of the industry or warehouse being located in the core of the zone, where the land is more than 1500 metres from land (not a road) which is in a residential zone, Capital City Zone or Docklands Zone, land used for a hospital or an education centre or land in a Public Acquisition Overlay to be acquired for a hospital or an education centre and the industry or warehouse is a purpose which is listed in the Table to Clause 52.10 as requiring a threshold distance of less than 1500 metres, or is not listed in the Table.
- The purpose of the use and the types of processes to be utilised.
- The type and quantity of goods to be stored, processed or produced.
- How land not required for immediate use is to be maintained.
- Whether a Works Approval or Waste Discharge Licence is required from the Environment Protection Authority.
- Whether a notification under the Occupational Health and Safety Regulations 2017 is required, a licence under the Dangerous Goods Act 1985 is required, or a fire protection quantity under the Dangerous Goods (Storage and Handling) Regulations 2012 is exceeded.
- The likely effects, if any, on the neighbourhood, including:
 - Noise levels.
 - Air-borne emissions.
 - Emissions to land or water.
 - Traffic, including the hours of delivery and dispatch.
 - Light spill or glare.

Exemption from notice and review

An application is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

This exemption does not apply to land within 30 metres from land (not a road) which is in a residential zone, Capital City Zone or Docklands Zone, land used for a hospital or an education centre or land in a Public Acquisition Overlay to be acquired for a hospital or an education centre.

Decision guidelines

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The suitability of the industry or warehouse being located in the core of the zone, where the land is more than 1500 metres from land (not a road) which is in a residential zone, Capital City Zone or Docklands Zone, land used for a hospital or an education centre or land in a Public Acquisition Overlay to be acquired for a hospital or an education centre and the industry or warehouse is a purpose which is listed in the Table to Clause 52.10 as requiring a threshold distance of less than 1500 metres, or is not listed in the Table.
- The effect that the use may have on nearby existing or proposed residential areas or other uses which are sensitive to industrial off-site effects, having regard to any comments or directions of the referral authorities.
- The effect that nearby industries may have on the proposed use.
- The drainage of the land.
- The availability of and connection to services.
- The effect of traffic to be generated on roads.
- The interim use of those parts of the land not required for the proposed use.

Subdivision

Permit requirement

A permit is required to subdivide land.

Exemption from notice and review

An application is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act. This exemption does not apply to land within 30 metres from land (not a road) which is in a residential zone or land used for a hospital or an education centre or land in a Public Acquisition Overlay to be acquired for a hospital or an education centre.

Decision guidelines

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- Any natural or cultural values on or near the land.

- Streetscape character.
- Landscape treatment.
- Interface with non-industrial areas.
- The suitability of the proposed lots for the types of industries and warehouses shown in the table to Clause 52.10.

33.02-4 Buildings and works

16/01/2018
VC142

Permit requirement

A permit is required to construct a building or construct or carry out works.

This does not apply to:

- A building or works which rearrange, alter or renew plant if the area or height of the plant is not increased.
- A building or works which are used for crop raising, extensive animal husbandry or informal outdoor recreation.
- A rainwater tank with a capacity of more than 10,000 litres if the following requirements are met:
 - The rainwater tank is not located within the building's setback from a street (other than a lane).
 - The rainwater tank is no higher than the existing building on the site.
 - The rainwater tank is not located in an area that is provided for car parking, loading, unloading or accessway.

Application requirements

An application to construct a building or construct or carry out works must be accompanied by the following information, as appropriate:

- A plan drawn to scale which shows:
 - The boundaries and dimensions of the site.
 - Adjoining roads.
 - Relevant ground levels.
 - The layout of existing and proposed buildings and works.
 - Driveways and vehicle parking and loading areas.
 - Proposed landscape areas.
 - External storage and waste treatment areas.
- Elevation drawings to scale which show the colour and materials of all buildings and works.
- Construction details of all drainage works, driveways and vehicle parking and loading areas.
- A landscape layout which includes the description of vegetation to be planted, the surfaces to be constructed, a site works specification and the method of preparing, draining, watering and maintaining the landscape area.

Exemption from notice and review

An application is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act. This exemption does not apply to an application for a building or works within 30 metres of land (not a road) which is in a residential zone or land used for a hospital or an education centre or land in a Public Acquisition Overlay to be acquired for a hospital or an education centre.

Decision guidelines

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The suitability of the proposed buildings or works for the types of industries and warehouses shown in the table to Clause 52.10.
- Any natural or cultural values on or near the land.
