#### **Requirements for development plan**

The development plan must include sufficient area to demonstrate that development of the area to be subdivided is so far as practicable integrated with the immediately surrounding area, and must show:

- General consistency with the South Morang Local Structure Plan.
- The local road, pedestrian and bicycle network, including links to adjoining land and networks and provision for access to proposed public transport routes.
- Concept design of the proposed subdivision including proposed landscape treatments.
- Location and layout of non-residential uses, including activity centres and open space.
- Relevant topographical and landscape details, including identification of significant environmental and cultural features and measures to preserve and enhance those features.
- Opportunities for a diverse range of allotment sizes and dwelling types.
