

## SCHEDULE TO THE RURAL ACTIVITY ZONE

Shown on the planning scheme map as **RAZ**.

### Purpose

To promote and encourage a diverse range of agricultural activities, which do not rely upon large land holdings.

To promote and encourage tourism use and development that is compatible with agricultural production and the environmental attributes of the area.

To discourage uses which can be reasonably accommodated in an urban zone.

To protect the rural character of the Shire by minimizing the visual intrusion of new buildings on the natural landscape, particularly from highways and the Murray River.

To encourage the retention of productive agricultural land.

To ensure that non-agricultural uses, particularly dwellings, do not adversely affect the use of land for agriculture.
