Decision guidelines

Before deciding on an application to use land, the responsible authority must consider the requirements and other provisions of the *Sandhurst Comprehensive Development Plan* (May 1996).

3.019/01/2006
VC37**3.1**23/05/2019
C133fran**Subdivision and buildings and works****Application requirements**

An application to subdivide land, construct a building or construct or carry out works:

- Must demonstrate integration of all land and staging with the golf course development and provide for the comprehensive development of the entire *Sandhurst Comprehensive Development Plan* (May 1996) as an amalgamated site under the effective control of one developer group in accordance with either a permit or a Section 173 agreement under the Act.
- If for an integrated golf course development, must be accompanied by the following management plans, agreements and information to the satisfaction of the responsible authority:
 - Traffic report that addresses the issues raised in Vic Roads' letter to the Frankston City Council of 21 June 1996 reference SY FRA 030 R11, leading to the adopted traffic management and associated road works plan and schedule of developer contributions.
 - Layout of golf courses and associated clubhouse facilities.
 - Location and subdivision layouts of residential precincts and community activities.
 - Staging of the development.
 - Stormwater management plan, including provision of litter traps and managed wetlands.
 - Flood and water storage levels and flow lines.
 - Management of construction impacts on the environment in accordance with relevant EPA guidelines, including the provision of facilities to control sediment discharge before development commences.
 - Earthworks management plan.
 - Flora and fauna management plan.
 - Landscape management plan.
 - Event management plan for golf course activities.
 - Details of the provision of physical infrastructure, including the connection of reticulated sewerage to all lots.
 - Geotechnical profiles and advice.
 - Urban design guidelines.
 - An agreement under Section 173 of the Act between the land owner and the responsible authority that must:
 - Include full details of the development levies including off site contributions for road works required by the above traffic report in accordance with the approved traffic management and associated road works plan, method of collection and timing of works to be carried out which must be on the assumption that Thompsons Road between Dandenong Valley Highway and Westernport Highway will not be duplicated within the next five years by the Council or Vic Roads.
 - Ensure that residential subdivision does not proceed without the golf course development.
 - Ensure that the golf courses remain and are only redeveloped for an alternative compatible non-urban use to the satisfaction of the responsible authority.
 - Any other information, management plans or reports required to ensure the coordinated development and integration of the *Sandhurst Comprehensive Development Plan* (May 1996) with the urban and non-urban areas of Carrum Downs.

3.223/05/2019
C133fran**Exemption from notice and review**

An application to subdivide land, construct a building or construct or carry out works which is generally in accordance with the *Sandhurst Comprehensive Development Plan* (May 1996) is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

3.323/05/2019
C133fran**Decision guidelines**

Before deciding on an application to subdivide land into residential lots of between 300 square metres and 4,000 square metres (inclusive), the responsible authority must consider:

- The provisions of Clause 56.
- The requirements and other provisions of the *Sandhurst Comprehensive Development Plan* (May 1996).

4.019/01/2006
VC37**Construction and extension of dwellings and residential buildings****4.1**19/01/2006
VC37**Single dwellings on lots of at least 300 square metres****Permit requirement**

A permit is not required to construct or extend one dwelling on a lot of at least 300 square metres.

4.219/01/2006
VC37**Medium-density housing and residential buildings****Application requirements**

An application for any of the following must be accompanied by a neighbourhood and site description and a design response as described in Clause 54.01 or Clause 55.01, as appropriate:

- To construct or extend one dwelling on a lot of less than 300 square metres.
- To construct a dwelling if there is at least one dwelling on the lot.
- To construct two or more dwellings on a lot.
- To extend a dwelling if there are two or more dwellings on the lot.
- To construct or extend a residential building,

Decision guidelines

Before deciding on an application, the responsible authority must consider, as appropriate, the provisions of Clause 54 or Clause 55. This does not apply to a development of five or more storeys, excluding a basement.
