11.01-1L Settlement

Objective
To limit opportunities for new residential development.

Strategies
Support residential development that is compatible with the environmental capabilities of the land.
Support unobtrusive and small-scale residential development.
Discourage residential development that would result in a cluster of dwellings in areas outside the Restructure Overlay on French Island.
Discourage residential development that would result in a significant increase in access and movement around French Island.
Discourage applications for subdivision on Sandstone Island that may create potential for multiple ownerships.
