Neighbourhood character objectives

To ensure the scale, built form and setbacks of residential development responds to the existing site circumstances by respecting the predominant built form, façade and street patterns.

To provide appropriate front, side and rear setbacks, garden areas and private open space to allow for substantial high quality landscaping and canopy trees to protect the amenity of adjoining properties and to create a landscape character.

To maximise the opportunities to create high quality landscaping, through minimal paving and hard surfaces within front setbacks.

To ensure vehicle accessways and storage facilities do not visually dominate the streetscape.

To ensure that residential development achieves high quality useable private open space outcomes for future residents, including the provision of secluded private open space at the side or rear of each dwelling.
