Design objectives

To ensure that the height of new building and works does not encroach on the flight paths associated with the Dandenong Hospital's Emergency Medical Services (EMS) helicopter landing site.

To ensure that the height of new development avoids creating a hazard to aircraft using the Dandenong Hospital's Emergency Medical Services (EMS) helicopter landing site and to facilitate safe emergency medical service helicopter operations.

To implement the Airfields Policy set out in the State Planning Policy Framework of this planning scheme.
