C349

#### Neighbourhood character objectives

- To maintain the unique spacious bush garden character of the area distinguished by the high number of significant Australian native trees.
- To encourage development that sits within a vegetated setting.
- To maintain vegetated streetscapes where the vegetation acts to filter and soften the appearance of buildings and hard surface areas.
- To provide adequate space in new developments for the retention of existing significant trees wherever practicable and for the planting of new canopy trees.

**Decision guidelines**

The following decision guidelines apply to an application for a permit under Clause 32.09, in addition to those specified in Clause 32.09 and elsewhere in the scheme which must be considered, as appropriate, by the responsible authority:

- Whether the landscaping requirement can be met by including existing trees that are considered worthy of retention.
- Whether new lots and developments are of a spacious nature and allow for a design that is respectful of neighbourhood character.
- Whether the development provides for adequate landscaping opportunities.
- Whether a subdivision proposal has sufficient land area and minimum dimensions to be in keeping with the surrounding subdivision and development patterns.
