Decision guidelines

Before deciding on an application the responsible authority should have regard to the following:

- Clause 54 and Clause 56.
- The density of the development which must not be greater than one dwelling for each 300 square metres of site area.
- If the dwelling exceeds one storey, whether the development would unduly impact on the visual amenity of Rippleside Park.
- Whether the development would be in harmony with the single storey worker's cottage streetscape presented by the other properties included within this overlay.
