Buildings and works

A permit is required to construct a building or construct or carry out works the height of which exceeds 68.4 meters above the Australian Height Datum.

An application for buildings and works must be referred to the Department of Human Services under section 55 of the *Planning and Environment Act* and the Chief Executive Officer, Latrobe Regional Hospital under section 52 of the *Planning and Environment Act* unless in the opinion of the Responsible Authority the proposal satisfies requirements or conditions previously agreed in writing between the responsible authority and the Department of Human Services and the Chief Executive Officer, Latrobe Regional Hospital.

A permit must not be granted for building and works which exceed the obstacle height referral criteria, unless with the consent of the Department of Human Services.

Notes: For the purposes of this clause buildings and works include radio masts, television antenna and flagpoles and any construction equipment associated with the building and works.
