#### **Buildings and works**

A permit is not required to construct a building or construct or carry out works.

A permit is required to construct a front fence or side fence within the front setback of the dwelling.

Front fences must:

- Not exceed 1.0 metre in height above the adjoining nature strip or footpath.
- Be at least partially visually permeable to allow views to front gardens and dwellings.
- Be constructed of rendered or bagged masonry or face brickwork and infilled with vertical metal tubing or wooden elements.

Side fences forward of the dwelling should not exceed 1.0 metre in height.

An application to construct a fence is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

#### **Decision guidelines**

The following decision guidelines apply to an application for a permit under Clause 43.02, in addition to those specified in Clause 43.02 and elsewhere in the scheme which must be considered, as appropriate, by the responsible authority:

- The Preferred Neighbourhood Character Statement for ‘Urban Contemporary’ in the Local Planning Policy Framework – Clause 22.05.
- The consistency of fencing and streetscapes in the Edgewater Estate.
