Development plan

A Development Plan is required to be prepared to the satisfaction of the Responsible Authority and include the following details and considerations:

- the layout and use of existing and proposed buildings and works, driveways, car parking and loading areas;
- construction details of all drainage works, site access arrangements, vehicle parking and loading areas;
- details of existing and proposed landscaping, including perimeter landscaping treatments;
- the appearance and bulk of buildings having regard to the adjoining zones, especially the relationship with residential areas;
- the effect of the proposed buildings and works on the amenity of the neighbourhood, including the effects of noise, lighting, overshadowing and privacy.
