C132**Use of land****Amenity of the neighbourhood**

A use must not detrimentally affect the amenity of the neighbourhood, including through the:

- Transport of materials, goods or commodities to or from the land.
- Appearance of any building, works or materials.
- Emission of noise, artificial light, vibration, smell, fumes, smoke, vapour, steam, soot, ash, dust, waste water, waste products, grit or oil.

**Application requirements**

An application to use land must be accompanied by the following information, as appropriate:

- The purpose of the use and the types of activities which will be carried out.
- The likely effects, if any, on adjoining land, including noise levels, traffic, the hours of delivery and despatch of goods or materials, hours of operation and light spill, solar access and glare.
- The means of maintaining areas not required for immediate use.

If an industry or warehouse:

- The type and quantity of goods to be stored, processed or produced.
- Whether a Works Approval, or Waste Discharge Licence is required from the Environment Protection Authority.
- Whether a notification under the Occupational Health and Safety (Major Hazard Facilities) Regulations 2000 is required, a licence under the *Dangerous Goods Act 1995* is required, or a fire protection quantity under the Dangerous Goods (Storage and Handling) Regulations 2000 is exceeded.
- The likely effects on adjoining land, including air-borne emissions and emissions to land and water.

For an application to use land for a residential hotel, the location, nature and operating hours of industrial premises in the vicinity.

**Decision guidelines**

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The effect that existing uses may have on the proposed use.
- The drainage of the land.
- The availability of and connection to services.
- The effect of traffic to be generated on roads.
- The interim use of those parts of the land not required for the proposed use.
- If an industry or warehouse, the effect that the use may have on nearby existing or proposed residential areas or other uses which are sensitive to industrial off-site effects, having regard to any comments or directions of the referral authorities.
- If a residential hotel, the effect that the use may have on the operation of nearby industrial uses.

**3.0**02/03/2017  
C132**Subdivision****Permit requirement**

A permit is required to subdivide land.

**Exemption from notice and review**

An application is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act. This exemption does not apply to land within 30 metres of land (not a road) which is in a residential zone, land used for a hospital or an education centre or land in a Public Acquisition Overlay to be acquired for a hospital or an education centre.

**Decision guidelines**

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The effect the subdivision will have on the potential of the area to accommodate the uses which will maintain or enhance its competitive strengths.
- Any natural or cultural values on or near the land.
- Streetscape character.
- Landscape treatment.
- The interface with adjoining zones, especially the relationship with residential areas.

**4.0**02/03/2017  
C132**Buildings and works****Permit requirement**

A permit is required to construct a building or construct or carry out works.

This does not apply to:

- The installation of an automatic teller machine.
- An alteration to an existing building façade provided:
  - The alteration does not include the installation of an external roller shutter.
  - At least 80 per cent of the building facade at ground floor level is maintained as an entry or window with clear glazing.
- An awning that projects over a road if it is authorised by the relevant public land manager.

**Application requirements**

An application to construct a building or construct or carry out works must be accompanied by the following information, as appropriate:

- A plan drawn to scale which shows:
  - The boundaries and dimensions of the site.
  - Adjoining roads.
  - The location, height and purpose of buildings and works on adjoining land.
  - Relevant ground levels.
  - The layout of existing and proposed buildings and works.

## MONASH PLANNING SCHEME

- All driveway, car parking and loading areas.
- Proposed landscape areas.
- All external storage and waste treatment areas.
- Areas not required for immediate use.
- Elevation drawings to scale showing the colour and materials of all buildings and works.
- Construction details of all drainage works, driveways, vehicle parking and loading areas.
- A landscape layout which includes the description of vegetation to be planted, the surfaces to be constructed, site works specification and method of preparing, draining, watering and maintaining the landscape area.
- An application to construct a building or to construct or carry out works for a residential hotel must be accompanied by an Acoustic Assessment that demonstrates how, taking into account permissible surrounding land uses operating in accordance with applicable noise requirements, the proposal is designed to limit noise levels in bedrooms to a maximum of 45dB LAeq,8h for the night period from 10:00pm to 6:00am the following day in accordance with relevant Australian Standards for acoustic control.

### **Exemption from notice and review**

An application is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act. This exemption does not apply to an application for a building or works within 30 metres of land (not a road) which is in a residential zone, land used for a hospital or an education centre or land in a Public Acquisition Overlay to be acquired for a hospital or an education centre unless the application is for a building or works to be used for a residential hotel.

### **Decision guidelines**

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The movement of pedestrians and cyclists, and vehicles providing for supplies, waste removal, emergency services and public transport.
- The provision of car parking.
- The streetscape, including the conservation of buildings, the design of verandahs, access from the street front, protecting active frontages to pedestrian areas, the treatment of the fronts and backs of buildings and their appurtenances, illumination of buildings or their immediate spaces and landscaping of land adjoining a road.
- Defining the responsibility for the maintenance of buildings, landscaping and paved areas.
- The availability of and connection to services.
- Any natural or cultural values on or nearby the land.
- Interface with non industrial areas.
- Outdoor storage, lighting, and storm water discharge.
- The design of buildings to provide for solar access.
