Shown on the planning scheme map as **EMO**

ST. ARNAUD EROSION PRONE AREA

1.0
19/01/2006
VC37

Permit requirement

Before deciding on an application the Responsible Authority must consider as appropriate:

- Whether the proposal addresses and overcomes the severe erosion risk in the area.
- The comments of the Department of Sustainability and Environment, and the North Central Catchment Management Authority.

Notification

Notice of any application must be given in accordance with Section 52(1)(c) of the Act to the person or body specified as a person or body to be notified in Clause 66.06 or a schedule to that clause
