Subdivision

Before deciding on an application to subdivide the land, the responsible authority must consider all relevant matters, as well as the following specific matters:

SWAN HILL PLANNING SCHEME

- Subdivision that excises the land occupied by the Swan Hill Clay Target Club from the Lower Murray Water Wastewater Treatment Facility is to be encouraged. This excision of land must create a land area of at least 28.5 hectares and accommodate all of the Club facilities, including the fall out range.
- Subdivision that results in the fragmentation of the Club facilities will be discouraged.

A subdivision that excises the Club facilities from the Lower Murray Water Wastewater Treatment Facility is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.
