Location of residential development**Objective**

To locate new housing in designated locations that offer good access to jobs, services and transport.

Strategies

Increase the proportion of new housing in designated locations within established urban areas and reduce the share of new dwellings in greenfield and dispersed development areas.

Encourage higher density housing development on sites that are well located in relation to jobs, services and public transport.

Ensure an adequate supply of redevelopment opportunities within established urban areas to reduce the pressure for fringe development.

Facilitate residential development that is cost effective in infrastructure provision and use, energy efficient, water efficient and encourages public transport use.

Identify opportunities for increased residential densities to help consolidate urban areas.
