Community care accommodation**Objective**

To facilitate the establishment of community care accommodation and support their location being kept confidential.

Strategies

Planning schemes should not require a planning permit for or prohibit the use of land in a residential area for community care accommodation that accommodates no more than 20 clients and that is funded by, or conducted by or on behalf of, a government department or public authority, including a public authority established for a public purpose under a Commonwealth Act.

Facilitate the confidential establishment of community care accommodation through appropriate permit, notice and review exemptions.
