Health facilities**Objective**

To assist the integration of health facilities with local and regional communities.

Strategies

Facilitate the location of health and health-related facilities (including acute health, aged care, disability services and community care facilities) taking into account demographic trends, the existing and future demand requirements and the integration of services into communities.

Plan public and private developments together, where possible, including some degree of flexibility in use.

Locate hospitals and other large health facilities in designated health precincts and areas highly accessible to public and private transport.

Provide adequate car parking for staff and visitors of health facilities.
