INDUSTRIAL 2 ZONE

Shown on the planning scheme map as IN2Z.

**Purpose**

To implement the Municipal Planning Strategy and the Planning Policy Framework.

To provide for manufacturing industry, the storage and distribution of goods and associated facilities in a manner which does not affect the safety and amenity of local communities.

To promote manufacturing industries and storage facilities that require a substantial threshold distance within the core of the zone.

To keep the core of the zone free of uses which are suitable for location elsewhere so as to be available for manufacturing industries and storage facilities that require a substantial threshold distance as the need for these arises.

### Use of land

#### Application requirements

An application to use land for an industry or warehouse must be accompanied by the following information, as appropriate:

- The suitability of the industry or warehouse being located in the core of the zone, where the land is more than 1500 metres from land (not a road) which is in an Activity Centre Zone, Capital City Zone, Commercial 1 Zone, Docklands Zone, residential zone or Rural Living Zone and land used for a hospital, an education centre or corrective institution or land in a Public Acquisition Overlay to be acquired for a hospital, an education centre or corrective institution and the industry or warehouse is a purpose which is listed in the table to Clause 53.10 as requiring a threshold distance of less than 1500 metres, or is not listed in the table.

- The purpose of the use and the types of processes to be utilised.

- The type and quantity of goods to be stored, processed or produced.

- How land not required for immediate use is to be maintained.

- Whether a Works Approval or Waste Discharge Licence is required from the Environment Protection Authority.
Whether a notification under the Occupational Health and Safety Regulations 2017 is required, a licence under the Dangerous Goods Act 1985 is required, or a fire protection quantity under the Dangerous Goods (Storage and Handling) Regulations 2012 is exceeded.

- The likely effects, if any, on the neighbourhood, including:
  - Noise levels.
  - Air-borne emissions.
  - Emissions to land or water.
  - Traffic, including the hours of delivery and dispatch.
  - Light spill or glare.

**Exemption from notice and review**

An application is exempt from the notice requirements of section 52(1)(a), (b) and (d), the decision requirements of section 64(1), (2) and (3) and the review rights of section 82(1) of the Act.

This exemption does not apply to land within 30 metres from land (not a road) which is a residential zone, Capital City Zone or Docklands Zone, land used for a hospital or an education centre or land in a Public Acquisition Overlay to be acquired for a hospital or an education centre.

**Decision guidelines**

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The suitability of the industry or warehouse being located in the core of the zone, where the land is more than 1500 metres from land (not a road) which is in an Activity Centre Zone, Capital City Zone, Commercial 1 Zone, Docklands Zone, residential zone or Rural Living Zone, land used for a hospital, an education centre or a corrective institution or land in a Public Acquisition Overlay to be acquired for a hospital, an education centre or a corrective institution and the industry or warehouse is a purpose which is listed in the table to Clause 53.10 as requiring a threshold distance of less than 1500 metres, or is not listed in the table.
- The effect that the use may have on nearby existing or proposed residential areas or other uses which are sensitive to industrial off-site effects, having regard to any comments or directions of the referral authorities.
- The effect that nearby industries may have on the proposed use.
- The drainage of the land.
- The availability of and connection to services.
- The effect of traffic to be generated on roads.
- The interim use of those parts of the land not required for the proposed use.

**Subdivision**

**Permit requirement**

A permit is required to subdivide land.

**VicSmart applications**

Subject to Clause 71.06, an application under this clause for a development specified in Column 1 is a class of VicSmart application and must be assessed against the provision specified in Column 2.
### Class of application

<tr>
<th>Description</th>
<th>Information requirements and decision guidelines</th>
</tr>
</thead>
</table>
| Subdivide land to realign the common boundary between 2 lots where: | Clause 59.01  
- The area of either lot is reduced by less than 15 percent.  
- The general direction of the common boundary does not change. |
| Subdivide land into lots each containing an existing building or car parking space where: | Clause 59.02  
- The buildings or car parking spaces have been constructed in accordance with the provisions of this scheme or a permit issued under this scheme.  
- An occupancy permit or a certificate of final inspection has been issued under the Building Regulations in relation to the buildings within 5 years prior to the application for a permit for subdivision. |
| Subdivide land into 2 lots if: | Clause 59.02  
- The construction of a building or the construction or carrying out of works on the land:  
  - Has been approved under this scheme or by a permit issued under this scheme and the permit has not expired.  
  - Has started lawfully.  
- The subdivision does not create a vacant lot. |

### Exemption from notice and review

An application is exempt from the notice requirements of section 52(1)(a), (b) and (d), the decision requirements of section 64(1), (2) and (3) and the review rights of section 82(1) of the Act. This exemption does not apply to land within 30 metres from land (not a road) which is in a residential zone or land used for a hospital or an education centre or land in a Public Acquisition Overlay to be acquired for a hospital or an education centre.

### Decision guidelines

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- Any natural or cultural values on or near the land.
- Streetscape character.
- Landscape treatment.
- Interface with non-industrial areas.
- The suitability of the proposed lots for the types of industries and warehouses shown in the table to Clause 53.10.

### Buildings and works

#### Permit requirement
