### **Signs**

Sign requirements are at Clause 52.05. A permit is required to display a sign over the road formation or over land within 600 millimetres of the road formation. For other land in this zone, the category of advertising control which applies is the category which applies to the adjoining zone nearest to the land. If land is equidistant from two or more adjoining zones, the least restrictive category applies.

Where the Public Use Zone 4 is the nearest adjoining zone, a permit is required to display a sign.
