

**SCHEDULE 3 TO CLAUSE 37.01 SPECIAL USE ZONE**

Shown on the planning scheme map as **SUZ3**.

**JANEFIELD TECHNOLOGY ESTATE****Purpose**

To designate the area for integrated mixed use high technology, commercial and residential development. In particular, to encourage development which will:

- Provide for housing choice, affordability and diversity including student housing through varied lot sizes, housing types and densities.
- Support public transport through the designation of neighbourhood activity centres that allow a mix of community based uses (housing, shopping, work, school, worship, recreation and public buildings) and higher residential densities.
- Promote energy efficient housing through urban and landscape design.
- Recognise the need to provide protection to the flora and fauna values and assets of the Plenty Gorge Metropolitan Park and to the water quality of the Plenty River.
- Provide a network of interconnected roads and bicycle paths giving convenient circulation within the precinct and to activity nodes.
- Make efficient use of existing physical and social infrastructure by achieving compact development.
- Encourage the enhancement and protection of environmental assets, in particular existing stands of native vegetation and the interface with the Plenty Gorge Metropolitan Park.
- Encourage the enhancement and re-use of significant heritage building assets.
- Preserve and enhance urban amenity and transport efficiency along Plenty Road.
- Provide measures to manage traffic impact on adjoining residential areas.
- Allow appropriate access to the Janefield Training Centre and the Plenty Gorge Metropolitan Park.
- Encourage uses related to tertiary training to locate in the area.
- Encourage the development of related education uses in the area.
- Encourage the establishment of technology and research and development related industries.
- Demonstrate best practice in urban and landscape design treatments.
