**The Community Infrastructure Levy (CIL) payable under this Development Contributions Plan (DCP)**

Section 46L of the *Planning and Environment Act 1987* sets the maximum CIL amount that can be collected under an approved DCP

If the maximum amount of the CIL which may be collected under an approved DCP is varied under section 46L of the *Planning and Environment Act 1987*, the collecting agency may adjust the amount of the CIL payable under this DCP in accordance with section 46L of the *Planning and Environment Act 1987*.

If the collecting agency adjusts the amount of the CIL payment under this DCP, the collecting agency will publish the adjusted amount of the CIL payable under this DCP on its website.

**4.0**

26/06/2008  
C81(Part 1)

**Land or development excluded from development contributions plan**

- Open space (active, passive and conservation) as set out in the *Epping North East Local Structure Plan*.
- Transmission line easements
- Melbourne Water drainage reserves and retarding basins.

*Notes: This schedule sets out a summary of the costs and contributions prescribed in the Epping North East Local Structure Plan Development Contributions Plan (incorporated document). Refer to this document for full details.*

*The levy payable per hectare of net developable area is adjusted annually in accordance with the Epping North East Local Structure Plan Development Contributions Plan (incorporated document).*
